## MONTEREY TRAIL HIGH SCHOOL Elk Grove Unified School District Voluntary Athletic Contribution

### 100% Participation

Greetings, Mustang Faithful! This is the Mustang Philosophy for the EGUSD – VAC program.

We (MTHS Athletes) must do our part and contribute for the overall good of the MTHS ATHLETIC PROGRAM and the EGUSD Athletic Program. Each MTHS Athlete’s Family should contribute what their family can afford according to their family’s budget. In some cases that could be more or less than the EGUSD recommended amount.

Every athlete counts and every dollar counts! The EGUSD - VAC form is included in the MTHS Athletic Clearance packet which must be completed before tryouts in each season of sport. The EGUSD – VAC form will be presented again by each team’s head coach after final cuts are made to ensure that all MTHS Athlete Families have had the opportunity to do their part and contribute.

Breakdown of money raised:

50% goes directly to the MTHS Athletic Account which funds officials, uniforms, equipment, awards, security, field preparation and equipment repair, state/section/league dues, custodial, entry fees, transportation overages, etc.

50% goes to the EGUSD Athletic Account which funds transportation, coaching stipends, equipment subsidy and the overall sustainability of High School Sports within the EGUSD.

MTHS PRIDE should drive us to accomplish our goal of 100% participation in the EGUSD – VAC.

Thank You for your continued support of the MTHS Athletic Program, EGUSD and high school sports in general. The MTHS student-athletes work so hard in the classroom, community and of course in athletic competition to make us proud. Let’s make sure we keep these opportunities alive with our financial support.

Go Mustangs!
