## ARE YOU READY FOR SOME MUSTANG FOOTBALL!?!?!?!?

Dear Community Member:

We are asking for your support in our sponsorship program. The sponsorship program includes stadium advertising signage and/or game program advertising\*. We feel as though we provide an excellent opportunity for your business to get exposure.

Monterey Trail Football has established itself as a powerful and respected program in the Sac-Joaquin Section & Northern California as well as earning State and National recognition. In the last 5 years, 20 games have been packed houses at home, 12 of which have been televised, including an ESPN broadcast and 2 live national webcasts.

In 2014 we move into the newly formed Delta League, which will be considered one of the top in Northern California. We have 1 Jamboree scrimmage & 5 home games on campus in Mark Macres Memorial Stadium. We will be working towards earning a trip to the playoffs, hopefully at home.

Also our Jr. Mustang Youth Football Program is in its 5th year. Over 120 Student-Athletes from the age of 6-14 are involved playing 5 home games and possibly hosting the Championships at home in Mark Macres Memorial Stadium.

The Monterey Trail High School Football Booster Organization works to support and maintain the integrity of Monterey Trail High School and the community. The MTHS Football program is more than just winning football games. The MTHS Football program works to shape the players into contributing members of our community by teaching them teamwork, self discipline, perseverance, brotherhood, and commitment. The funds raised by the MTHS Football Boosters will be used to cover the costs of football camps, equipment, teaching aides, travel and meals, video editing systems and other items needed to be a competitive state ranked program.

This partnership between Monterey Trail High School and its surrounding community creates a family atmosphere that we all can take pride in, giving our young athletes role models within the business world.

MTHS Football Boosters plan to host a number of events to raise money in preparation for the upcoming football season. We are asking for your help in supporting our fundraisers by donating a raffle item, or assisting with a donation of food or services.

Please make all donations payable to: MT FOOTBALL CLUB

Your support is truly appreciated!

Sincerely,

T.J. Ewing, Head Football Coach - (916) 688-0050 ext 4251 [tewing@egusd.net](mailto:tewing@egusd.net)
