Welcome to Monterey Trail High School

I would like to welcome you and your student athlete to Monterey Trail High School for the 2018-2019 school year. This newsletter is designed to give you and your student athlete a better understanding of our athletic program.

Becoming a student athlete is a privilege that many students enjoy at Monterey Trail High School High School. Athletics can be a very positive experience as being a part of a team can create memories that can last a lifetime. Our Student-Athletes are committed to high academic standards, high character standards and, of course, highly competitive athletic standards which is now tradition here at Monterey Trail High School.

Monterey Trail High School offers 18 varsity sports programs at Monterey Trail. Our athletic program has been very successful on both the field of play and in the classroom. Many of our student-athletes earn academic awards and athletic accolades. If you have any questions feel free to email me at dcoronad@egusd.net or leave a voicemail with our athletic office.

Sincerely,

Monterey Trail High School Coaching Directory

MTHS Summer Athletic Programs

At Monterey Trail High School, many of our athletic teams run summer programs that you will want your child to participate in. Using the coaching directory to contact our coaches after June 1st, 2018 would be the most effective method of communication to ensure you and your student have all the necessary information about our summer athletic programs.

Summer programs allow new students to become accustomed to high school athletics; form new friendships; and meet our coaches. However, these programs are not mandatory for your student(s) to make an athletic team.

Last year our football, baseball, basketball (Boys/Girls), cross country, volleyball and soccer (Boys/Girls) teams had a summer athletic program.

Remember, that high schools athletics is a privilege and that participation in any summer program does not guarantee that your student(s) will make a team during the school year.
